World of Outlaws Craftsman Late Models / DIRTcar Late Models:

15.11 – Rear Suspension & Suspension Components

A – General

e. – Bump sticks are not allowed anywhere on the car in 2018. They will be reevaluated in September 2018 for consideration of approval for the 2019 season.

15.12 – Wheels

H – Wheel/Air Bleeders are not allowed anywhere on the car in 2018. They will be reevaluated in September 2018 for consideration of approval for the 2019 season.

Effective Date: April 20, 2018

World of Outlaws Craftsman Late Models / DIRTcar Late Models:

15.10.3 – Nosepiece

L. – Right Side Nose Height Rule – The maximum height from the ground to the top of the nose splitter shall be 15 inches.

M. – Front Nose must be mounted in the center of the car

15.10.6 – Front Fenders, Fender Flares and Hood

J. – The front fender may be a maximum of 37"-inches in height, measured vertically from the ground to the top of the fender behind the front tires **and at the right front fender and door area at the T-Bar.**

15.10.8 – Quarter Panels

G. **The maximum height from the ground to the top of the rear deck at the top of the rear quarter panel is 39"-inches.**

Some of these rules may already be reflected in the 2018 rulebook, it is a reminder of the guidelines that will be used when inspecting cars.

All cars will be subject for inspection at any point during an event.
